ROYAL NORMAL COLLEGE FOR THE BLIND

(formerly at Upper Norwood, S.E.19)

ALBRIGHTON HALL, BROAD OAK, SHREWSBURY and ROWTON CASTLE, Near SHREWSBURY

THE College provides education and vocational training in music, piano tuning and shorthand-typewriting for one hundred and fifty boys and girls, the majority of whom become self-supporting citizens. It thus makes a definite contribution to national economy in effecting the complete rehabilitation of many disabled persons.

Voluntary effort was responsible for the foundation of the College and has continued to play an important part in its life. The College has used its own funds freely for the welfare of blind persons, and the replenishment of these funds is necessary to enable it to continue to help its students in ways additional to those provided by Public Authorities, and to maintain the speed and flexibility of action which are advantages of a voluntary service.

Persons considering suitable objects for charitable bequests are begged to apply to the Secretary for full particulars.
